ENGLISH PROFICIENCY TEST SPEAKING SECTION – SAMPLE

TASK 3: DISCUSSING A PROBLEM

1. Your friend has a roommate who makes too much noise and this prevents your friend from studying. He wants to rent a flat but he can't afford it. He has come to you with this problem. What would you do?
2. One of your best friends would like to divorce her husband but he won't accept. He threatens to kill her if she does. She came to you to ask for help. What would you do?
3. You are a very successful student at EMU. However, you have a very rich boy/girlfriend who would like you to leave school and get married. What would you do?
4. One of your classmates lied to your teacher about his/her homework. Because you were together the day before, you know it was not possible for him/her to do the homework. What would you do?
5. You take some money from your father's wallet without permission. When your father opens his wallet he realizes that some of his money is missing. He asks you whether you know anything about this situation. What would you do?
6. You are a psychologist and one of your patients tells you that s/he is planning to kill someone. What would you do?
7. You love someone very much but s/he loves your best friend. Your best friend doesn't know anything about this situation. You don't want to lose your friend and you want to be with your loved one. What would you do?

8. You got your degree but haven't been able to find a job in your country. In addition, your family cannot support you financially so you need to earn your own living. What would you do?
9. Your teacher speaks so fast that you and your classmates can't follow the lesson properly. So nobody listens to the teacher and they don't care about the lessons anymore. This is your last chance to pass the course. What would you do?
10. One of your classmates who you have only recently met asks if s/he can stay with you for just a few days. You accept but weeks pass, and s/he doesn't even mention leaving. What would you do?
11. You lend a friend some money but he/she doesn't give the money back to you even though two weeks have passed. You think that he/she is broke until you see him/her buying an expensive pair of shoes. What would you do? You attend your classes regularly, take good notes, do your homework, and get good results from your exams. However, one of your friends who doesn't attend classes regularly and who usually fails comes up and asks for your notes to study. What would you do?
12. Your husband/wife has put on weight recently and you know that s/he has health problems. However, s/he cannot stop eating harmful things. What would you do?
13. Your best friend told you that his wife had a meeting in the office last night but you saw her in a restaurant with another man. What would you do?
14. You have been accepted by a university in England. This had been your dream for years but your parents do not want you to go there. They want you to stay with them and continue your education in your own country. What would you do?
15. You borrowed your friend's car to take your boy/girlfriend out for a meal. You had an accident and do not have money to have it repaired. What would you do?
